

Introducing our 10-in-1 Mushroom Gummy, a convenient and delicious way to support your overall health and well-being. Our gummies are packed with a blend of 10 different mushroom extracts, including shiitake, reishi, maitake, and cordyceps. Each serving provides a boost to your immune system, helps to reduce inflammation, and is rich in antioxidants.

Our gummies are also great for cardiovascular support and may help reduce stress and improve cognitive function. They are easy to take on the go and are a tasty alternative to traditional supplements.

Our gummies are gluten-free, non-GMO and made with natural ingredients. They are suitable for vegetarians and vegans.
