Introducing our Canna Gummies, delivering 20mg of potent, whole-plant goodness in every bite. Sourced from premium cannabis, these gummies harness the full range of cannabinoids, terpenes, and natural compounds to promote relaxation, balance, and well-being. Perfect for a flavorful, all-day boost with the power of the entourage effect.

## Benefits

- Pain Relief:** Cannabis gummies may help reduce chronic pain by interacting with the body's endocannabinoid system.
- Anxiety and Depression:** May help alleviate symptoms of anxiety and depression.
- Better Sleep:** Cannabis gummies may help improve the quality of sleep, especially when consumed in the evening.
- Neuroprotective Properties:** CBD in cannabis gummies may help protect the brain from damage and reduce the risk of cognitive decline.
- Nausea and Vomiting:** May help reduce nausea and vomiting in people undergoing chemotherapy.
- Relaxation:** May help promote relaxation and reduce stress levels, making them a popular choice for those seeking a calming effect.

Warning! Some products contain a wide variety of cannabinoids, including THC. The use of this product may result in a false positive drug test for marijuana. If you are subject to drug screening, you should not use or consume this product.
